EXPERT-LED TRAINING

About Us

For 22 years, Maitre Allianz Pte Ltd has been a trusted partner in professional development, delivering high-impact training to government agencies and leading corporations.

Our strength lies in our trainers — seasoned expert practitioners who don't just teach theory, but bring real-world experience into the classroom. They are accomplished professionals in their respective fields and, equally important, gifted educators who know how to translate complex expertise into practical, actionable skills. Participants don't just learn concepts; they leave equipped to perform.

Our programmes consistently attract strong participation and repeat engagements, a testament to the value we deliver. The feedback we receive speaks volumes—five-star testimonials highlighting relevance, depth, clarity, and immediate workplace application.

At Maitre Allianz, we design transformative learning experiences that build capability, confidence, and measurable impact.

What Sets Us Apart

Expert-Led Trainers

Learn from industry-recognized experts who are also skilled educators, ensuring a high-quality and engaging learning experience.

Customized Content

Our training programs are tailored to address the specific needs and challenges of each class, making learning more relevant and impactful.

Cutting-Edge Techniques

We stay aligned with industry trends, incorporating the latest technologies and methodologies to keep your knowledge and skills up to date.

Proven Results

Our courses consistently receive high ratings, reflecting our commitment to excellence and the tangible benefits they bring to individuals and organizations.

Guided by
Experts

Investigative Skills

Name	Description	Dates
Deception Detection	Master integrated deception detection: read micro-expressions, analyze verbal linguistics, interpret body language clusters. establish baselines, amplify cognitive load, and detect deception using evidence-based frameworks	<ul style="list-style-type: none"> • 18-19 May 2026 • 26-27 Oct 2026 • 22-23 Feb 2027
Investigative Questioning Techniques	Investigations collapse when questioning is flawed. This advanced course equips investigators to construct legally sound, evidence-driven lines of inquiry that withstand internal audit, appeals, and legal challenge without compromise.	<ul style="list-style-type: none"> • 24 Aug 2026 • 30 Nov 2026 • 25 Jan 2027
CSI Interview & Interrogation	Poor interviews lose cases before they reach court. This course builds the questioning craft and interrogation strategy investigators need to extract truthful, reliable evidence from even the most guarded subjects.	<ul style="list-style-type: none"> • 26-27 Oct 2026 • 29-30 Mar 2027
Courtroom Witnessing	Unprepared witnesses hand defence counsel the advantage. This course builds officers who testify with credibility and composure — ready for examination-in-chief, hostile cross-examination, and the full pressure of courtroom scrutiny.	<ul style="list-style-type: none"> • 28-29 Sep 2026 • 29-30 Mar 2027
Follow the Money Trail	Financial crime without a money trail rarely results in conviction. This expert-led course equips investigators to trace cross-border proceeds, dismantle laundering schemes, & deploy Singapore's enforcement databases with precision.	<ul style="list-style-type: none"> • 24 Aug 2026 • 30 Nov 2026 • 22 Feb 2027

I definitely give two thumbs up for this course. Very useful for Investigation Officers. Should make this compulsory for investigation officers.

*Senior Investigation Officer,
Singapore Customs*

Cyber Intelligence & Digital Skills

Name	Description	Dates
Spycraft (basic)	OSINT enhances traditional investigations, to uncover hidden networks, identify people, trace their locations, map digital footprints, and identify crypto wallets for faster investigation.	<ul style="list-style-type: none">• 30-31 Jul 2026• 26-27 Nov 2026• 25-26 Mar 2027
Digital Evidence	Master the collection, preservation, and analysis of digital evidence. Learn how to handle digital data accurately, securely, and effectively for investigations.	<ul style="list-style-type: none">• 31 Aug 2026• 26 Feb 2027

Data Skills

Name	Description	Dates
Smarter Data-Driven Decisions with Excel & AI	Learn to turn raw data into meaningful insights. This workshop teaches non-analysts to think critically, define key questions, and use Excel and AI together to uncover patterns and communicate clearly.	<ul style="list-style-type: none">• 28-29 May 2026• 24-25 Sep 2026• 28-29 Jan 2027

An eye-opener. The course content was useful and extensive. A lot of hands-on exercise to understand the OSINT work better. The trainer was impressive and knowledgeable...

*Deputy Commander,
Immigration & Checkpoints Authority*

Communication Skills

Name	Description	Dates
Visual Communication	Creating strong visual messages is essential in today's digital world, and this course equips participants with the skills to craft impactful visuals that clearly convey their ideas.	<ul style="list-style-type: none"> • 24 Apr 2026 • 27 Aug 2026 • 04 Dec 2026 • 05 Mar 2027
Infographics: Visual Storytelling	Most infographic courses teach you to make things look good. This one is taught by an information designer — trained to make complex data understandable.	<ul style="list-style-type: none"> • 27-28 Apr 2026 • 28-29 Sep 2026 • 01-02 Mar 2027
Scannable Document	Transform text-heavy reports, guides, and SOPs into clear, visually engaging documents. Learn design skills to communicate complex information effectively.	<ul style="list-style-type: none"> • 27-28 Apr 2026 • 29-30 Oct 2026
Design Hacks	This course equips anyone with no or little interests in design with practical, easy-to-apply design shortcuts to transform Canva and PowerPoint templates into polished visuals.	<ul style="list-style-type: none"> • 22 May 2026 • 25 Sep 2026 • 25 Feb 2027
EDM Creatives	In EDMs, content and design have a strong influence over each other. This is why you need two different experts to teach you the secrets of crafting emails that truly sing.	<ul style="list-style-type: none"> • 27-28 Aug 2026 • 28-29 Jan 2027
Gen-AI Business Writing	Master AI-assisted business writing using Gen-AI to craft strategic prompts, refine AI drafts, and produce clear, engaging, and authentic content faster, smarter, and more effectively.	<ul style="list-style-type: none"> • 23 Jul 2026 • 04 Dec 2026 • 26 Feb 2027
Presentation Deck Design	Design principles, not tools, is what make complex information clear and persuasive — so your slides enhance understanding instead of causing confusion.	<ul style="list-style-type: none"> • 24 Jul 2026 • 27 Nov 2026 • 26 Mar 2027
AI Image Generation Mastery	Create high-quality visuals using AI tools like Leonardo and ChatGPT, covering prompting, editing, and generating consistent, photorealistic images.	<ul style="list-style-type: none"> • 24 Jul 2026 • 27 Nov 2026 • 04 Mar 2027

Really appreciated the breakdown of the psychology behind good communication design. Hands-on stuff were fun too!

*Writer, Strategic Communication,
Home Team Science and
Technology Agency*

Contract Negotiation for Civil Servants	Master contract negotiation - boost confidence, handle deadlocks, and apply practical tactics across real-world, virtual, and cross-cultural contract situations.	<ul style="list-style-type: none"> • 29 Jul 2026 • 18 Nov 2026

Leadership

Name	Description	Dates
Team Resilience & Mental Wellness Leadership	This one-day workshop equips Singapore Civil Service leaders with science-based, practical skills to recognize stress, respond with confidence, and strengthen team resilience.	<ul style="list-style-type: none"> • 18 Nov 2026 • 26 Mar 2027
Leadership Communication & Conflict Resolution	Build the one leadership skill that changes every other conversation — a proven, practical framework for resolving conflicts and handling difficult conversations with confidence.	<ul style="list-style-type: none"> • 15-16 May 2026 • 21-22 Sep 2026 • 22-23 Feb 2027

The practical tips given by the trainer were interesting and very relevant. Thanks for making the day topic palatable & enjoyable.

*Assistant Director,
Monetary Authority of Singapore*

Testimonials

Courtroom Witnessing

Solid fundamental training to onboard every IO.

~ Senior Manager, Compliance & Enforcement, Singapore Tourism Board

Visual Communication

Really appreciate the breakdown of the psychology behind good communication design. The hands-on stuff were fun too!

~ Writer, Home Team Science and Technology Agency

Digital Evidence

This course provided us with useful insights. It will help my team to work better.

~ Dy Director, Investigation Systems, Home Team Science & Technology Agency

Presentation Deck Design

This is the most useful course I have attended since I joined. I really enjoyed this course. You are a great teacher. Patient and Kind. 10/10.

~ Manager, Ministry of Manpower

Investigative Questioning Techniques

The course is useful to help me to understand the different question to be asked at different situation.

~ Senior Manager, Regulation and Compliance, SkillsFuture Singapore

Gen-AI Business Writing

Enriching program! The skills and techniques & tools acquired will be very useful. Thanks very much.

~ Dy Director, Housing & Development Board

Spycraft (basic)

The trainer was clearly very knowledgeable and went through all the materials in great detail. She is also very patient answering our questions.

~ Analyst, Cybersecurity Singapore

Design Hacks

Trainer was knowledgeable and provided relevant 'hacks' on how to get better design. I felt like I learnt a lot about design.
